Dear Friend: your card came. I will be very glad to exchange a lot of cards with you. Shall I send first? How many do you want at a time? What kinds? I would be especially glad to get a view of your Gov. Mansion, of if none the house or Hotel where Gov. lives. I also want state flower, Map, bird, seal, poems, ect. of your state. Can use a few of your state Capitols. Also one or two Main Street views. But especially want Gov. Mansion and poem or verse cards of R.I.

Sincerely, ORBRA E. KING.
